Chapter 1 by Tanya287

Hello, Nice to meet you where you been?
New York to Haiti.

I was wondering if after all these years you'd like to meet
...
Hello, can you hear me?

I know what you did last summer :(
I know I'm not the only one!
Yeah, I know that I let you down...
O_0
Is it too late to say I'm sorry now?

it's hard
The days just seem so dark
The moon and the stars
Are nothing without you

Your touch, your skin
Where do I begin?
No words can explain
The way I'm missing you
